Mr. T. H. Humphreys  
State Engineer  
Salt Lake City, Utah

Dear Sir:

We, Columbus R. Hall and Roxanna D. Hall are the owners of Certificates of Appropriation of water numbers 2224 and 2223 respectively, and we ask that you take charge of the water of Boul Creek, in Wayne County from which we have made our appropriations, for the purpose of making a just division or distribution of the water from the same in accordance with the rights of the parties entitled to the use thereof; As we are unable to agree with the other user, Vern W. Pace, on Boul Creek as to the division and distribution of the water from the said creek.

Yours very respectfully

Columbus R. Hall

Roxanna D. Hall

P.S. Should you send some one down, I believe the best route is by way of Greenriver, then south to Hanksville if you will let me know a few days ahead I would like to go along with you.
